The slogan of Alexandria University Contains the Lighthouse of Alexandria which is a huge building on the island of Pharos at the entrance of the eastern port of Alexandria, constructed in the era of Ptolemy II at about 280 BC.

In 1938, the nucleus of the Alexandria University (formerly known as Farouk University) had its beginning in the form of two faculties of Fouad the First University. These were the faculties of Arts and Law. The faculty of Engineering was then established in 1941. In the light of the need for developing more disciplines for higher learning and with a view towards meeting the need of the people of Alexandria, Alexandria University became a separate entity in August 1942 with four additional faculties: Science, Commerce, Medicine and Agriculture. In 1952, it became "Alexandria University". Since then, the University witnessed growth and expansion in several fields: the number of Faculties and high institutes increased to 24.

Alexandria University supervised the establishment of four faculties in the Nile Delta. Those were: Faculty of Medicine (1962) and Faculties of Science (1969) in Tanta (currently Tanta University), Education and Agriculture (1969) in Kafr-Elsheikh (currently Kafr-Elsheikh University).

Seven other Faculties were established in Damanhour, the capital of Behera Governorate: Faculty of Education (1980), Faculties of Arts, Agriculture, and Commerce (1983), Science, Veterinary Medicine, and Nursing (2007) (currently Damanhour University).

In 1989, the Faculties and Institute affiliated to Helwan University and located in Alexandria joined the Alexandria University by a Presidential Decree: four Faculties of Physical Education for men, Physical Education for women, fine Arts, and agriculture at Saba-Basha.

A Faculty of Basic Education was also established in 1991, faculty of tourism & Hotels, Faculty of Agriculture, Faculty of Veterinary, Medicine and Faculty of Nursing in Marsa-Matrouh Governorate, 300 Km west of Alexandria.

In 1998, two Faculties affiliated to the ministry of Higher Education, joined the Alexandria University: Kindergarten Teachers Training and Specific Education.

Believing in its role towards Arab and African countries, Alexandria University established in 1960 in Beirut, Lebanon, "Beirut Arab University" which is run and supervised by educational and administrative cadres from Alexandria University.
