### 3. Training Centers at Alexandria University

#### Faculty Leadership Development Center

The Alexandria University Faculty and Leadership Development Center (FLDC) is a full service hospitality venue focused on the discipline of collaborative convening. The center offers clients services that merge the theory and practice of collaborative strategies. They invite leaders to come together for meaningful interaction and dialogue, reflect upon and challenge their current ways of thinking and acting, practice convergent decision making, and collectively and individually build new capabilities.

FLDC has implemented during the period from July 1, 2020 to June 30, 2023 a number of training programs (program - trainees) to improve teaching and learning for Alexandria university affiliates ( faculty staff members – assistant staff members – postgraduate student – the administrative), according to the attached file.

**2020/2021: 5011 trainees**

**2021/2022: 5965 trainees**

**2022/2023: 5527 trainees**

**Additional evidence link:** <https://alexu.edu.eg/index.php/en/2015-11-24-10-43-20/training>

#### 4. The literacy: Alexandria Without Illiteracy:

- Alexandria University is keen to provide all forms of support to confront the problem of illiteracy and eliminate it, believing in the necessary role of Alexandria University in community participation. Alexandria University President stressing the university's keenness to play its role in community service within the framework of the university's social and national responsibility, in line with implementing the state's plan to achieve the goals of sustainable development until 2030, including addressing the dangers of illiteracy. He indicated that **the University established Alexandria University Centre for the Eradication of Illiteracy to implement an integrated strategy to support this national project at the university level.**
- Alexandria University signs a cooperation **protocol with the General Authority for Adult Education to eradicate illiteracy in Alexandria.** In this context, the issue of eradicating illiteracy and adult education is one of the most important development strategies to which the Egyptian state attaches special importance, indicating that the university will implement the protocol through its human cadres (faculty members and students) to eradicate the illiteracy of university workers, villages, and neighborhoods. And the governorate centers under the supervision of specialized professors at the university and participants in the project, pointing out that **Alexandria University, in cooperation with the Alexandria Governorate Authority, will train university youth participating in the project on methods and methods of adult education** through its colleges. In addition, the university is holding training courses to raise the efficiency of workers in the field of literacy. It is committed to allocating a place in the university courtyard for the authority's employees to answer all inquiries, and the university will also choose a coordinating committee to manage and implement the project.
- 1,000 literacy classes have been opened in the governorates of Alexandria, Matrouh, Beheira, and Kafr El-Sheikh, with a capacity of 8,000 students, to begin work directly. He explained that the college will prepare lists of the names of those working in literacy classes as teachers, and award students with certificates of appreciation for each student who participated in the students' success. Alexandria University ranked eighth among Egyptian universities in the field of eradicating illiteracy according to the results of the January 2021. Alexandria University students were able to eradicate the illiteracy of 1,059 students within three months, stressing that eliminating illiteracy is a goal. Alexandria University Center for Illiteracy Eradication" at the Faculty of Education, in cooperation with the General Authority for Adult Education, opened a number of literacy classes, exceeding 1,250 classes in the governorates of Alexandria, Beheira, Kafr El-Sheikh, Gharbia, and Matrouh, which contributed to Raising the university's ranking in eradicating illiteracy and rising from twentieth place last year to eighth place this year, he explained that eradicating illiteracy has become a

graduation requirement for every student in the fourth year in the faculties of the educational sector at Alexandria University (Faculty of Education - Faculty of Early Childhood Education - Faculty of Specific Education - Faculty of Education). Sports for Boys - College of Physical Education for Girls), where every student now has to erase illiteracy for 6 people before graduating.

- The Center for Educational Innovations and Distance Learning at Alexandria University completed the evaluation of digital content, which is considered an alternative activity to literacy activity, for 2,333 male and female students. It is worth noting that the digital content activity is a graduation requirement for all educational colleges at the university (College of Education - College of Specific Education - College of Physical Education for Boys - College of Physical Education for Girls - College of Early Childhood Education), where the students developed awareness content aimed at raising awareness of a societal issue. The content was evaluated by a committee of professors from the relevant colleges, in addition to specialists from the Center for Educational Innovations and Distance Learning team.
- Regarding a project to eradicate illiteracy and adult education, College of Education submit a proposal by opening fixed classes to eradicate illiteracy in the main neighborhoods of Alexandria Governorate within schools and youth centers, and carrying out implementation through university students. The university's efforts were also reviewed. In the field of eradicating illiteracy in the period from October 2021 to April 2022 program, where 1,924 individuals were eradicated during that period. In cooperation with the General Authority for Adult Education, as the university contributed to eradicating the illiteracy of 854 citizens during the April 2022 program.
- The colleges of the educational sector at Alexandria University (Faculty of Education - College of Specific Education - College of Early Childhood Education - College of Physical Education for Boys - College of Physical Education for Girls) were able to eradicate the illiteracy of 2037 citizens, and the College of Education was able during the July 2022 program to eradicate the illiteracy of 959 citizens according to what is Registered in the educational process database, in cooperation with the General Authority for Adult Education, and within the framework of the national project to eradicate illiteracy in Egypt.
- Alexandria University students succeeded in eradicating the illiteracy of 1,065 male and female citizens in the January 2023 program, according to the educational process database records. Faculty of Education launched the 28th of February 2023, the convoy organized for the city of El-Amriya, west of Alexandria, in order to carry out its role in community service and to hold immediate literacy exams for a large number of illiterate people. The exams were held at Al-Hassan Ibn Al-Haytham School, in coordination with Undersecretary of the Ministry of Education in Alexandria, and education leaders in Amriya region, with the participation of members of the Literacy and Adult Education Authority, and staff members at the faculty Education, in addition to student teachers who participated in holding exams for illiterate students, and Administrative Director of the faculty's Literacy Centre.
- Alexandria University Centre for Literacy and Adult Education, has been able, since its establishment, to educate more than 13,000 illiterate individuals, and to open 7,800 so far in the governorates (Alexandria - Gharbia - Kafr El-Sheikh - Marsa Matrouh - Minya - Beheira), pointing out that this number is constantly increasing.
- Under the slogan **"A Decent Life"** and in cooperation between civil society organizations, the **"You Are Life"** initiative was launched by Alexandria University in the ancient city of Burj Al Arab. The initiative included raising awareness of the **danger of addiction** to the individual and society, **medical convoys** (various specialties), **craft workshops, spot exams** (literacy eradication), **awareness raising for women, activities for children and a theatre**, in addition to providing **counseling services, psychological and family support, and diagnosing behavioral and psychological problems**. This comes in cooperation between the concerned authorities: (the Anti-Addiction Fund, the Ministry of Health and Population, the Ministry of Youth and Sports, the Ministry of Culture, the University of Alexandria, the National Council for Women, and the General Authority for the Eradication of Illiteracy and Adult Education), other specialized institutions, and civil society organizations.

## 8. Community initiatives

- The Community Service and Environmental Development Affairs Sector at the Faculty of Science, Alexandria University, with the participation of the Anti-Addiction Fund, the Al-Hayat Center for Addiction Treatment, and IBRO, organized an awareness campaign in the 10th Abis district to shed light on the dangers of addiction and its negative physical and psychological effects. They raise awareness of the dangers of addiction, encourage children to understand the parts of the brain, identify the region's needs for services and development, and identify the obstacles facing the region such as the lack of competencies in the health unit to operate and deal with the devices, and the density of the number of students in schools. The region, the lack of interest in the quality of education, the lack of adherence to precautionary measures, and the region's need for special medical convoys for chronic diseases such as treatment of blood pressure and diabetes.

•

- In line with the state plan to develop Egyptian villages and within the activities of the **Decent Life Initiative** to support human building. Alexandria University, organized an awareness convoy in the Abis 7 area on Saturday, March 19, 2022, as part of a series of visits. The campaign targeted 200 individuals from different groups. The Faculty of Science participated in awareness programs that included training for laboratory experiments and some simplified scientific concepts for children. The Faculty of Arts provided a psychological counseling service. For the people of the region, the Higher Institute of Public Health participated in providing awareness, health education, and a survey of the possibility of parasitic infection to a number of residents of the region. The Fund for **Combating and Treating Addiction and Abuse**, affiliated with the Ministry of Social Solidarity, raised awareness of the drug abuse law and provided health support to those in need of treatment. The Electricity Company also continued to provide technical support and receive complaints from the villagers and submit them via the electronic platform.

- A delegation from Alexandria University made a field visit to the water lifting stations in the Sidi Ghazi (Harith) Canal branching off from Lake Mariout to discuss how to provide **technical and scientific support** towards the phenomenon of **lake water leakage** and find scientific solutions to confront the problems. Water shortage and desertification to make the most of the lake. Alexandria University has paid great attention to Lake Mariout for more than 20 years, and has presented several studies as a house of expertise for major projects in Alexandria and its suburbs, and out of its belief in its role in serving and developing the Alexandrian community. These studies have been published in international journals, emphasizing the university's continued use of all its energy to develop it. These areas extend beyond the forum, and a set of goals have been identified during the coming period, which are to find solutions to the problem of water leakage from the lake, the problem of sewage, and the problem of paving the road connecting the village to the desert road, which is 5 kilometers long. During the day, the convoy carried out an awareness campaign in cooperation with the **Drug Control Fund**, during which leaflets were distributed, and a symposium was held to introduce the harms of drugs and smoking. In addition to other public seminars on health awareness, gynecological diseases, family planning methods, and a symposium on breast tumors, coinciding with World Cancer Day. The members of the convoy also carried out several different social and medical activities during

the day, including a clinic for early detection of blood pressure and diabetes, where 118 blood pressure tests and 93 blood sugar tests were done, and 48 early detection of hepatitis C virus were done, affiliated with the Ministry of Health, represented by the 100 Million Health campaign. In the same context, the university announced its intention to continue its efforts to confront poverty in those areas by sending a team to train women in sewing and embroidery and opening literacy classes for children and the elderly.

- Alexandria University launched its second campaign in the village of Abis 7, with the participation of the Alexandria Petroleum Additives Company (ACPA), the Holding Company for Drinking Water, the Sanitation Company, Nahdet Misr, the Egyptian Red Crescent Society, and the Fund for Combating and Treating Addiction and Abuse. On Saturday, December 25, 2021, the campaign targeted about 800 individuals from various groups, and 500 units (blankets and food commodities) were distributed to some of the neediest families. Activities also varied throughout the day, as the companies participated in the awareness campaign made an inventory of service needs in preparation. To solve it. The needs of various training programs to support human development in the village were also identified by the college's social responsibility team.

- Alexandria University launched an awareness campaign for the Abis 7 area, with the participation of the Holding Company for Drinking Water, the Sanitation Company, Nahdet Misr Company for Modern Environmental Services, the Egyptian Red Crescent Society, and the Fund for **Combating and Treating Addiction and Abuse**, on Saturday, December 11, 2021. The campaign included several activities with the people of the region, such as distributing awareness-raising publications to maintain brain health by the college's social responsibility team and organizing an awareness-raising activity about the danger of addiction within the activities of the "**Alexandria Without Addiction**" initiative. The water and sanitation companies also held interactive programs on the importance of water conservation and conservation, and the safe disposal of solid and liquid household waste, and conducted a number of craft workshops, including plumbing and soap making. They also contributed to bringing joy to children by participating in interactive games and distributing in-kind gifts to them and the women. The water company's logistical customer service vehicle was present, which received complaints from residents in the area. At the beginning of the meeting, the Egyptian Red Crescent Society was keen to sterilize the place and hold a symposium on the

importance of precautionary measures against the Corona virus. It also organized a symposium on the principles of first aid, and Nahdet Misr Company for Modern Environmental Services carried out a cleaning campaign for the place and distributed an awareness brochure on the importance of safe disposal of garbage.

- Alexandria University Organizes Student Climate Change Initiative Throughout the Year: Within the framework of Alexandria University's keenness to enable students to play an active role in climate change issues, Alexandria University organizes throughout the year until the end of 2023, coinciding with the beginning of the COP27 Climate Summit, a **student initiative that aims to engage students in addressing climate change issues, propose innovative solutions, educate them and urge them to pay attention to the effects of climate change in the city of Alexandria and how to protect it from the effects of climate change, through various interactive events that include capacity building, youth dialogue, competitions, theatre performances, training camps, as well as climate change awareness campaigns.**

- The Minister of Higher Education chairs the meeting of the Supreme Council of Universities at Alexandria University supporting the **"Egypt Digital Cubs" initiative organized by the Ministry of Communications and Information Technology, by allowing the use of electronic testing laboratories spread throughout all public universities**, to conduct admission tests for applicants, by activating a tripartite cooperation protocol between the Ministry of Higher Education and Scientific Research, the Ministry of Communications and Information Technology, and the presidents of public universities. **The Ministry launched the green financing initiative for research, development and innovation to support applied projects that contribute to solving environmental problems, nature conservation, clean energy, waste recycling, etc.** They also

- Faculty of Education Launches **“Go Green” Initiative**, part of Freshmen Activities to raise awareness of the importance of afforestation, waste recycling, and rationalization of food and energy consumption, to change the wrong behaviour, spread environmental awareness, and urge students to participate in preserving the environment, explaining that the students presented practical activities for some courses under the title "Go Green", where each student actively participated in planting trees in the faculty courtyard. The students actively took part in this initiative out of a sense of responsibility towards themselves, their faculty, their university, and the environment around them.

- An awareness program on the danger of addiction, in cooperation with the Fund for Combating and Treating Addiction and Abuse, affiliated with the Ministry of Social Solidarity, in college campuses. This activity comes within the framework of completing the activities of the “Alexandria Without Addiction Initiative” launched by Alexandria University, through which a group of programs are implemented to reduce the risk of the spread of the phenomenon of addiction of all kinds. The program’s implementers educate students in various colleges about the dangers of addiction and the use of narcotic substances, methods of treatment, and how to Obtain support by contacting the addiction treatment hotline 16023 affiliated with the Anti-Addiction Fund.

- The Community Service and Environmental Development Council at Alexandria University approved the proposal submitted by the Faculty of Physical Education for Men to organize a community **initiative under the title “Our Faculty is Without Bullying”** with the intention of spreading the of this initiative at the university level to be a university without bullying, in order to shed light on this phenomenon that threatens Egyptian society, and the formation of a specialized committee to present its vision and recommendations in this regard.
- Alexandria University participated in the **Forum for Activities and Events of Egyptian Public Universities to Confront Climate Change 2022**, during the period from (September 22-23, 2022) at the Galala Tulip Hotel in Ain Sokhna with a group of research topics in the field of climate change and applied projects related to it included the uses of green hydrogen and green ammonia in the fertilizer industry, the establishment of an energy and water services company, the localization of the electric car industry within Egypt, the role of the Suez Canal in reducing carbon emissions at the global level, and the establishment of the Alexandria University Center. For the greener blue economy, Egypt's role as a regional energy center and the establishment of the Alexandria University Center for Sustainable Development.

- Under the slogan “No to Addiction,” and to activate the university’s pioneering role in supporting the mental and physical health of its students, Alexandria University organized in cooperation with the Fund for Combating and Treating Addiction and Abuse, affiliated with the Ministry of Social Solidarity the five-a-side football sports league, and university teams of young men and women participate in it.
- Opening the **new stadium complex** and launching the **“Healthy University Sports Campus” initiative** for students. The development work included opening the open playground complex, maintenance work on the swimming pool, extracting groundwater to irrigate the playgrounds, as well as opening an outdoor fitness area for students, within the framework of the “Healthy University Sports Campus” initiative for university students, which was launched by the Ministry of Youth and Sports, stressing that the Faculty of Physical Education for Boys at Alexandria University is the first college to activate this initiative.

- Launching of the **“Awareness Hall Ambassadors”** program at **Alexandria University** to raise awareness to achieve the goals of sustainable development of the necessity of building leadership cadres to work in the field of awareness (the Solidarity Conscious People Initiative), and in cooperation with the Leaders Foundation for Administrative Sciences and Development, the State Information Service, the officials of the Ministry of Solidarity, and the Leaders Foundation for Administrative Sciences, in order to implement the program that aims to Achieving the state’s plan to advance the citizen and preserve the homeland (a decent life initiative), and build cadres to work in the field of awareness (the eradication of a solidarity-conscious people), and discuss issues of awareness at all levels.
- Faculty of Pharmacy organizes a sports marathon for walking and cycling entitled **"Running for Green"** in cooperation with the students of the Scientific Society of Faculty of Pharmacy, within the framework of the preparations of Faculty of Pharmacy and University of Alexandria for the Climate Change Conference COP27 held in Sharm el-Sheikh in November 2022. The marathon was launched from the front of the Bibliotheca Alexandrina to the Citadel of Qaitbay with the participation of about 150 individuals, and an elite of Faculty staff members, Faculty employees, and students. The organization of the marathon came with the aim of unify the students and Faculty members as one family and to encourage the students to practice sports to improve their physical and mental health, which reflects positively on their academic performance.

- **A cycling race and marathon events were launched**, as part of the Scientific Conference on Climate Change and Sports, organized by the Faculty of Science and the Faculty of Physical Education in Abu Qir from 27-29 October 2022, with the participation, support and sponsorship of the Ministry of Youth and Sports, the Universities Sports Federation, the Ministry of Environment, the Egyptian General Authority for Tourism Development, and a number of sponsoring organizations. More than 1,500 male and female students participated in the marathon, as part of the forum's activities. The marathon started from Camp Caesar area until Qait Bey Citadel west of the city.

- 30 students from **Alexandria University** participated in the first training program launched by the **Hayat Karima Foundation** for university students in cooperation with the National Presidential Academy for Training. It will be held in the period from May 20-22/2023, to **train university students on volunteer work and introduce them to the activities of the Hayat Karima Foundation as a national project to support youth initiatives**, and applying it, by implementing and managing university youth. The program aims to encourage

cooperation between all state institutions and civil society organizations to meet the needs of the people of the targeted villages and educate young people about the efforts made by the state to raise the standards of living and overcome challenges to reach a better future. During the program, students are trained on life and volunteering skills, and the training enrich their information with knowledge of public interest.
