[5] Transportation (TR)

[5.9] Zero Emission Vehicles (ZEV) Policy on Campus

Campus Bikes parking at the Faculty of Engineering (Alexandria University, Egypt)

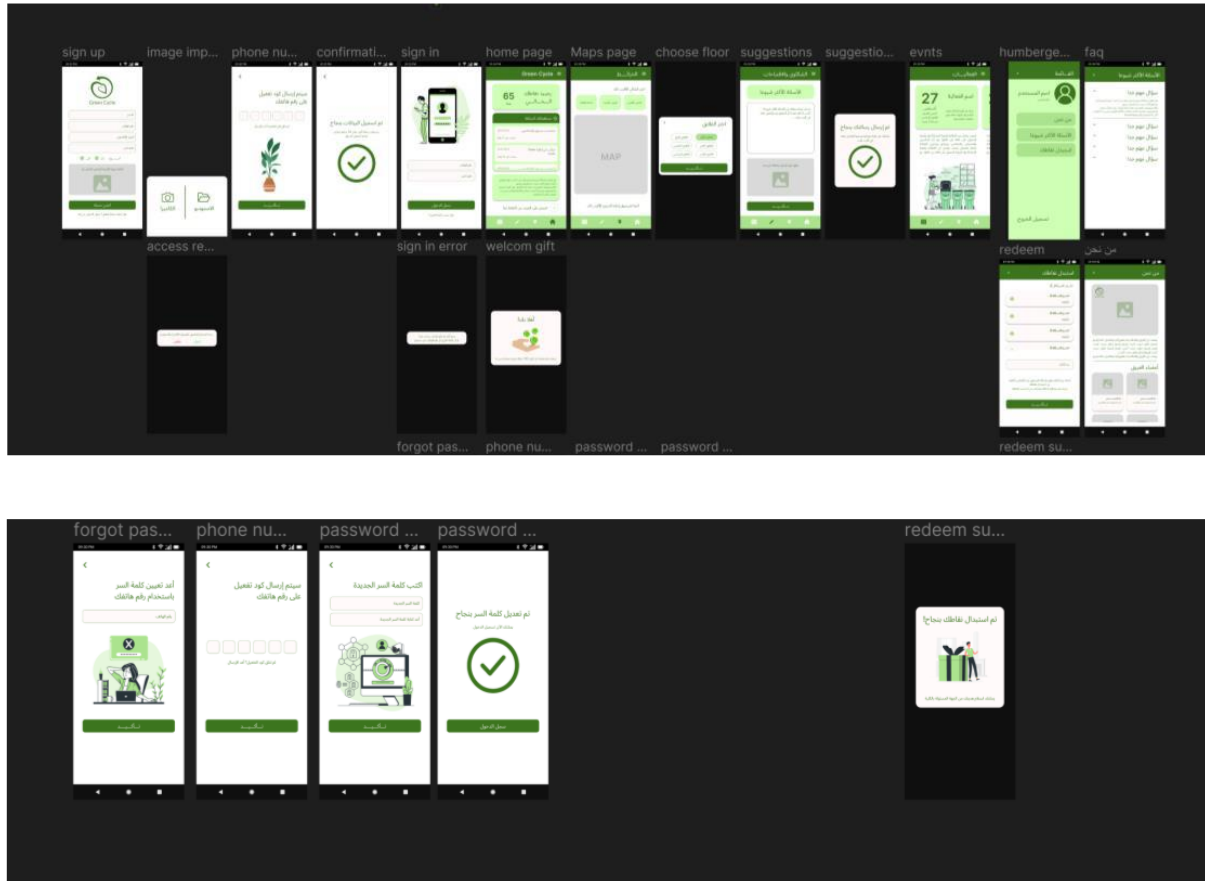

Ride Share (Carpool) (Faculty of Pharmacy, Alexandria University, Egypt)

The Alexandria University council bicycle initiative to provide a bicycle for each student

Carpooling application for smartphones - Green Cycle project in the Faculty of Pharmacy (Alexandria University, Egypt)

Description:

Alexandria University encourages zero emission vehicle policy through:

1. Providing bike parking for students and allowing the bicycles to enter the campus.
2. The University council approved a bicycle initiative for each student, with initial strategy with 2000 bicycles in the first year and 500 bicycles per year, in addition to 100 bicycles to move inside campus. An agreement has been signed with some national banks to offer it for monthly fees for long term so that the student does not bear a large amount monthly.
3. The University provided an information desk in every Faculty to register the students in this initiative and help them during the contracting process.
4. Some awareness seminars about the benefits of using bicycles as transportation method were held, the first seminar was held in November 2019 in the higher institute of public health delivered by the president of the federation of cycling, and the participation of the CSR team.
5. Cycling marathons per month in cooperation with the fund of "You are stronger than drugs" and commissioned to the Faculty of Physical Education. All the faculties held a cycling festival in November each year, the first cycling marathon was held in November 2019.

Green Cycle project in the Faculty of Pharmacy - Alexandria University

The project began in October 2022 by organizing a number of events in cooperation between the Community Service and Environmental Development Committee, ASPSA, and the Alexandria Rotary Clubs, under the supervision and organization of Faculty of Pharmacy - Alexandria University.

The students at the Faculty of Pharmacy developed an application, prepared for smart phones, which enables Faculty members and college employees to share cars for transportation in a safe manner.

This initiative is a prototype and a starting point for Alexandria University.

Alexandria University have generalized this initiative in some of the faculties of Alexandria University in gradual stages.
