The bottom of the screenshot shows the Windows taskbar with the system tray displaying the date and time as 11:28 PM on 9/29/2022. Below the screenshot, the text "Using Microsoft Teams (Alexandria University, EGYPT)" is centered.

Description:

Microsoft team, Moodle, Google classroom and social media are used. Switching to blended-Learning for precautionary measures was implemented during the COVID-19 pandemic. Moodle, google classroom, social media were used to continue the relationship with the students while maintaining the precautionary measures until the University has an agreement with Microsoft team as a formal platform with blended learning 40% online and 60% traditional methods. Professors were not ready to switch to blended learning and some were completely not familiar with e-Learning platforms. Many workshops were conducted to enhance the use of blended learning and Microsoft team during the COVID-19 pandemic that organized by Innovation in Pedagogy and Aiding Distance Learning Unit.

The total number of online courses which were opened in year 2021 were 3778 virtual courses (attached document, page 5).

Description:

Training Centers at Alexandria University: Faculty Leadership Development Center

The Alexandria University Faculty and Leadership Development Center (FLDC) is a full service hospitality venue focused on the discipline of collaborative convening. The center offers clients services that merge the theory and practice of collaborative strategies. We invite leaders to come together for meaningful interaction and dialogue, reflect upon and challenge their current ways of thinking and acting, practice convergent decision making, and collectively and individually build new capabilities.
